REMINDER: Pre-Qualification Submission

All Non-SIT Suppliers, Agents, and New Entrant DNOs (referred to as LDSOs in the MHHS Programme) Programme Participants are required to provide a **Pre-Qualification Submission (PQS)** for MHHS Qualification. The PQS window opened on 05 February 2024 and final submissions are due by 17:00 on **26 April 2024**.

The submission includes all the information that Code Bodies need to make an informed judgement on a party's readiness and suitability to be allocated to a particular Qualification Wave. The information provided will also help Code Bodies to understand the resource and testing capacity required to support each Qualification Wave. The MHHS Programme expects

participants to submit their Pre-Integration Testing (PIT) Approach and Plan as supporting evidence for their PQS submission.

Please note that **SIT participants** are not expected to submit the PQS for the roles and Market Participant IDs (MPIDs) they are participating with in SIT. The proposed process for the Qualification Assessment Document (QAD) submission for SIT Participants is set out in the [Qualification Approach and Plan](#).

Existing LDSOs participating in Non-SIT LDSO Qualification are not expected to submit the PQS.

On 07 March 2024, the Code Bodies hosted a webinar on the PQS to support participants in completing the document. Please see the [PQS Webinar Article](#) for more information and details on the webinar recording, slides, worked example and Q&A document.

The Code Bodies are hosting drop-in sessions for participants who require further support in completing their PQS. The sessions are open to all participants completing the PQS and they will be recorded and published on the Collaboration Base. They will take place on:
