### Market Entry Engagement Session

MEMs

DNOs

Suppliers

We are hosting a Market Entry Engagement Session on **18 January 2024** (11:00-12:00). This session will provide an overview of the Market Entry journey for qualification, tips and guidance on how to complete a successful submission for each stage of the application journey. Participants can ask questions around the general Market Entry process as well as for your individual Market Entry requirements. To view the full list of topics and register your interest, click [here](#) or email [enquiries@recmanager.co.uk](mailto:enquiries@recmanager.co.uk).

## Introduction to REC Data Specification Session

MEMs

DNOs

Suppliers

The REC Code Manager is hosting an Introduction to the REC Data Specification on **30 January 2024** (10:00-11:00). If you are new to the REC or would like further training on the Data Specification, please join us to learn about the REC Data Specification.

To register for this remote event, click [here](#).

## GES Email Verification Issue

MEMs

DNOs

Suppliers

On 03 January 2024, some Gas Enquiry Service (GES) Users experienced an issue receiving the verification code email when trying to access the Xoserve Services Portal. Users were informed of this issue via the Xoserve website. The issue has now been resolved. If you require any further information, please contact [CustomerExperience@xoserve.com](mailto:CustomerExperience@xoserve.com).

## RECCo Updates

MEMs

DNOs
